

Deputies' Meeting

Monday, 5 January 1953

25X1 PRESENT: General Smith, Messrs. Dulles, Wisner, Wolf, Becker, Hedden, [REDACTED]

25X1 General Smith:

25X1 a. Noted a cable [REDACTED] regarding the forthcoming visit by [REDACTED] and, after some discussion, approved both of these individuals visiting Headquarters at the same time.

25X1

25X1 b. Stated that a certain individual had agreed to accept [REDACTED] upon his retirement from Government service, provided we could arrange to pay him a salary of about \$15,000 p.a. in addition to his retired pay. After some discussion, the Director asked DD/A to insure that the payment of this salary could legally be made [REDACTED] and without impairment to the retired pay of the individual in question. In this connection, the Director noted that we should continue the [REDACTED] each year in order that funds would be available for payment of similar cases.

25X1

Mr. Wisner:

25X1

b. Noted that Mr. William H. Jackson had raised the question of "logistic" support for his committee and suggested that Mr. Wayne Jackson be made available to act as the Secretary. The Director approved and stated that (1) we would furnish support to the Jackson Committee in the same manner as that furnished the Brownell

Mr. Wisner (cont'd.)

25X1 Group and this was a function of DD/A; (2) [] could also be made
25X1 available to assist this committee in drawing up its report; (3) we should prevail
upon [] to lend his assistance; (4) we urgently needed a list of those
people who would serve in any capacity in order that they could be cleared; (5)
the committee should also draw some assistance from both the Departments of State
and Defense; (6) the PSB premises should be used as the main Headquarters for
this committee.

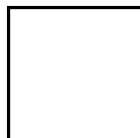

Mr. Becker:

25X1 a. Reported that (1) agreement had been reached with General Lemnitzer on
the summary evaluation paper; (2) the Joint Chiefs and ourselves were in accord
with the appointment of [] to chair the committee to
study this paper; (3) State and Defense would designate members; (4) it would be
25X1 necessary to discuss this paper with the ICIS and IIC. The Director noted that
if necessary we would provide the funds for payment for [] services
25X1 while chairing the committee mentioned in (2) above.

25X1 b. Noted that the Western Hemisphere Division []
[] are to be commended for their accurate reporting on the revolution
there.

c. Noted an over-all build-up in China, including ground, air and propaganda
activities in relation to Korea, and stated that a paper was being prepared on this
which would be passed to the Watch Committee for comment.
